Авторска фотография от Виктория Георгиева

Казвам се Виктория Георгиева, на 18 години съм, а фотографията е моята страст и вдъхновение. Уча в Езикова гимназия „Д-р Петър Берон“ в гр. Кюстендил и съм член на училищния клуб „Училищен вестник“, който издава EG TIMES. Част от ангажиментите ми в клуба включват заснемане на училищни събития, което ми дава възможност да документирам важни моменти и да ги представям по интересен начин.

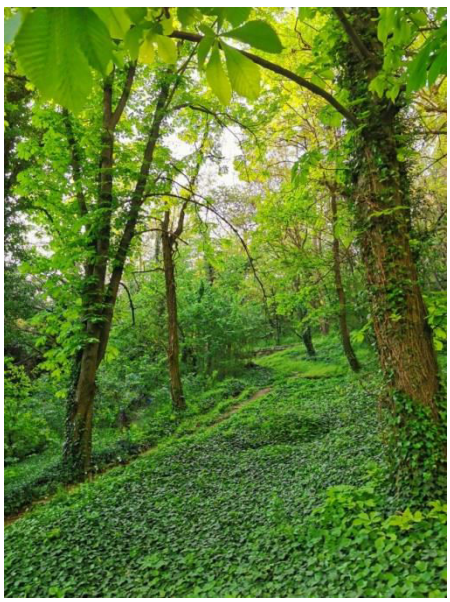

Фотографията ми позволява да виждам света по различен начин, да улавям красотата на моментите и да разказвам истории чрез обектива си. Моята любов към фотографията започна преди няколко години, когато за Коледа получих първия си фотоапарат. Това беше моментът, който промени живота ми. Оттогава не спирам да уча, експериментирам и развивам уменията си, като откривам нови стилове и техники.

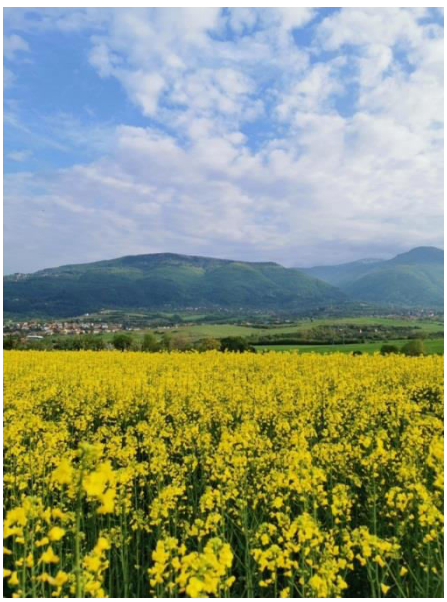

Най-много ме привличат природните гледки, градските пейзажи и портретите. Всеки кадър за мен е опит да уловя емоциите и неповторимостта на момента.

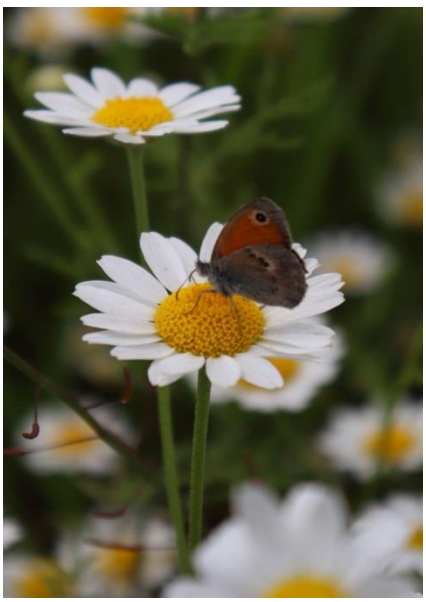

През последните години участвах в редица фотоконкурси, от които успях да спечеля признание и награди за моите творби. Успехите ми, както и опитът, който натрупах чрез снимането на училищни събития, ме вдъхновяват да продължавам напред и да усъвършенствам изкуството си.
